OVERVIEW

A special edition inspired by the 1968 film "Bullitt" with the famous chase scene in a Ford Mustang GT driven by Detective Frank Bullitt.

From the outside, the car has been stripped of the Mustang GT's distinctive markings - in their place are target sights with the word "Bullitt."

The car is set on dedicated 5-spoke black-painted alloy wheels. Responsible for the drive is an engine from the Mustang GT boosted to 460 HP, paired to a 6-speed manual transmission. The white shift knob is another discreet reference to the original.

Each unit is individually numbered - the presented car has a plate with the number L1370
